Power Projects International is a privately owned, medium size Australian company, operating in the areas of heavy industrial maintenance and power station overhaul, upgrade and construction.

Our policy is to provide a safe work environment that protects the health, safety and welfare of employees, visitors and other persons at our premises and at our work sites.

Commitment:

- Comply with statutory requirements, acts, regulations, codes, standards and guidelines, including other requirements placed upon the organisation or to which the organisation subscribes
- Meet our obligations for responsible persons and officers for due diligence, risk management and training and consultation
- Establish and maintain objectives and targets with the aim of eliminating work related incidents, injury or illness, and achieving continual improvement
- Define roles and responsibilities for health and safety
- Comply with legal requirements as a contractor
- Comply with the safety standard AS/NZS 4801:2001
- Integrate safety into design, manufacture and testing.
- Ensure that purchased equipment and materials meet required standards and do not compromise health or safety
- Ensure that our employees, and providers of labour and contract services are appropriately qualified and competent
- Monitor, inspect, measure and report the effectiveness of our health and safety programs.

Strategies and Objectives:

- Ensure that health and safety management principles are included in all planning activities
- Understand and implement hazard identification and risk assessment practices
- Provide ongoing education and training to all of our employees
- Consult with employees and other parties to improve decision-making in health and safety
- Ensure incidents are promptly investigated and causes are corrected and prevented from reoccurring
- Distribute health and safety information, including this policy, to all employees and interested parties
- Provide sufficient resources to ensure health and safety is central to our workplace
- Ensure effective injury management and rehabilitation is provided to all employees
- Achieve zero injuries and harm to all personnel on our sites.

At all times the company will maintain health and safety as a priority, and will not knowingly demand or expect any person to participate in any activities which are likely to be detrimental to their health or safety.
